

MCDANIEL
COLLEGE

Semester in Budapest, Hungary

- Long, complicated history...which still impacts Hungary today
- Combined cities of Buda and Pest
- Central Europe meets Eastern Europe – an atmosphere distinct from Western Europe
- Almost 2 million people live in Budapest
- But you also get the same small campus feel--we have about 20 study abroad students there each semester, with around 100 full-time students from all over the world.

Academics

Majors on campus include: psychology, business, political science, communication, and art; also, minor in journalism and new media and more!
